

ELIGIBILITY:

1. This event is open to all Ontario Residents. Players under the age of 18 must be accompanied by an adult.
2. Each team can have no more than 5 players. All proof images submitted during the game will be verified. If these images indicate that your team has more than 5 players your team will have its points revoked at the end of the game and will not be eligible for prizes.

RELEASE:

3. By submitting text, photo, or video proof of mission completion, the entrant agrees that the submissions comply with all of the conditions stated in these rules.
4. By submitting text, photo, or video proof, the entrant authorizes the organizers of Mission Accomplished to use the submission for promotional purposes. The entrant understands that texts, images, and videos will remain the property of game organizers.
5. The email address of each entrant will be collected to administer the game and award the prizes.

SUBMISSIONS OF PROOF FOR MISSIONS:

6. The organizers of Mission Accomplished will review all photos and videos that are submitted as 'proof' that a mission has been completed. This will be done throughout the game. If organizers conclude that a photo, or video, does not conclusively show that a mission has been completed, then the game organizers will notify the team captain and advise them to upload a new photo or video that shows that the mission was completed properly. All teams will have until the end of the challenge deadline to re-submit photos or videos. If a team has not submitted conclusive proof that a mission has been completed properly, the points for that mission will be revoked at the end of the game. Teams and individual players will not be explicitly notified when the game's organizer has revoked their points. The organizer's decisions and actions on these matters will be final. Appeals will not be considered.

PRIZES:

7: Three Top-Prizes valued at +\$250 will be awarded to the three teams that earn the most points in the game. The "Top 3" teams are the teams that earn the three highest scores. The points awarded to each team will be calculated at the very end of the game after the proof of all missions has been reviewed by game organizers. In the event of a tie for any position in the game, game organizers will draw one team at random, among the teams tied for a given position, to resolve the tie.

8. Draw prizes will be awarded at the end of the game. Draw prizes will range in value from \$20 to \$50. Every 20 points that a team or individual earns in the game will represent one ballot that will be entered into a prize draw (e.g. If your team earns 100 points in the game, we will put 5 ballots in the prize draw under the name of your team). The prize draw will be held one day following the end of the game.

9. All prize winners will be contacted by email through the email address used to register for the game.

10. Prizes will be available for pick up to all winners in the weeks following the event. Photo ID will be required to collect the prize.

13. Prizes cannot be exchanged for other monetary value. Prizes cannot be refunded. The organizers of Mission Accomplished are not responsible for any loss or damages incurred after claiming the prize. The organizers of Mission Accomplished are not responsible for incurring costs associated with the prize.

DISCLAIMERS

14. This event and contest is in no way sponsored, endorsed, administered by, or associated with Facebook, Twitter, or Instagram.

15. Mission Accomplished is a community scavenger hunt run by Mission Services of Hamilton that consists of a variety of missions/activities one can do at home, as well as, in their community. Please only attempt the missions that you feel comfortable and capable of doing so safely. Mission Services of Hamilton is not responsible for any injuries, loss or damage to one's self/one's property, sustained due to the missions listed in the Goose Chase App. Each participant must sign and return the General Release Form to Mission Services of Hamilton before March 12, 2023.
