About Us

We are a non-profit organization who believes every person deserves access to healthy food, safe housing, and opportunities for tomorrow.

We accomplish this by offering professional services in a caring and dignified manner for every person who comes through our doors.

The community we hope to create is one that is healthy and resilient. It’s a place where everyone has access to healthy food, safe housing, and opportunities to enrich their futures and participate in the social and economic life of our neighbourhood and city.
